BTEC Assignment Brief

Qualification	Pearson BTEC Level 3 International Qualifications in Business
Unit number and title	**Unit 13: Cost and Management Accounting**
Learning aim	**D:** Undertake investment appraisal of long-term capital investment.
Assignment title	Investment Appraisal Methods
Assessor	
Issue date	
Hand in deadline	

Vocational Scenario or Context	Your line manager was impressed with your reports and wants you to now expand your knowledge into other areas. Investment appraisal is an integral part of capital budgeting, and is applicable to areas even where the returns may not be easily quantifiable such as personnel, marketing, and training. You are to look into investment appraisals and specifically the appraisal of long-term capital investment.

Task 1	You are to create a presentation that includes the following: - A calculation of the three main investment appraisal methods using an appropriate scenario. - An analysis of the results and an evaluation of the capital investment proposals from a financial and non-financial perspective. - A supported and justified long-term capital investment recommendation.
Checklist of evidence required	*Investment appraisal calculations* *A presentation*

Criteria covered by this task:	
Unit/Criteria reference	To achieve the criteria you must show that you are able to:
13/D.D3	Evaluate the long-term capital investment proposal, taking into account both financial and non-financial considerations and formulate a set of appropriate and relevant recommendations.
13/D.M4	Analyse the results of the capital investment appraisal for decision making.
13/D.P7	Explain how non-financial considerations affect capital investment
